Caption / Description: Masafer Yatta is a desert region of the southern West Bank that is home to 1,144 Palestinians living across 12 villages. Their lives changed drastically in the 1980s when the land on which their homes are built was declared to be a 'closed military zone' by the Israeli authorities. On 4 May 2022, the Israeli Supreme Court declared that there were no 'legal barriers' to the evictions. As a result...
